Men in Game.

[Special to The Times-Dispatch.]

LENINGTON, VA., October 2.—In the first game of the season Washington and Lee ran up only twenty-four points on Roanoke College to-day. The varilty offense was good, the lack of fumbling being noticeable, but some of the defensive work was weak, and the interest of last season's regulars, were in the line, Osborne and Pipes both being out. Adderson, captain and fullback of the 1908 eleven, and Brown, crack half on the 1907 team, were also out of the game. Early in the second half, conch Pfelifer ran in his subs and the game ended with only two regulars. Captain Izard and Wilson did stellar work for the varsity, while Simarth. Bernard, Blackburn, Bruce and Oquining tin good work. Izard's broken field running was spectacular, and has all round playing makes him a dashing quarterback. Wilson ran twenty yards for the first touchdown after six minutes of play, and in the next three crossed the line again.

In the second half, after a thirty-live-yard run, Captain Izard carried the hall over in two attempts. Two minutes is ter a forward pass to -Simin netted twenty-five and Izard ran through the whole Roanoke team for his second touchdown. After the substantial gains, and the work of Anderson, Jackson and Price featured for his second nucleadown after six minutes later a forward pass to -Simin netted twenty-five and Izard ran through the whole Roanoke team for his second touchdown. After the substantial gains, and the work of Anderson, Jackson and Price featured for his second and Price featured for Evans in seventh.

The varsity plays Hampden-Sidney for the results of the price of the p

stantial gains, and the work of Anderson, Jackson and Price featured for them,

The varsity plays Hampden-Sidney pext Saturday, and with Alderson and Brown should make a better showing.

A new feature which is under consideration, and which will likely be adopte dby the association, is the granting to members the privilege of attending all football and bassball agames free of charge, the admittance fee to the association being used to cover the deficit thus entailed.
